Sir,

Sub:- GRANTS - Dustless surfacing in built-up areas - Uppinangady town portion - Inclusion of the work in th P.W.R.D.Scheme of the South Kanara District Board - Proposals furnished - sanction requested.

...

The work of providing dustless surfacing to the Uppina town portion of the main Mangerabad road, has been included in th recast 5 Year Plan of the P.W.R.D.Works of the Highways Departmer The District Board road runs through the heart of the residential and bazaar portion of the town and leads to a famous temple. Th road therefore is in need of a dustless surfacing more urgently than the Highways road which runs parallel to the District Board road, on the back side of the town proper.

2. The Divisional Engineer (H) Mangalore has furnished an estimate for Rs.4300/- for providing dustless surface to this portion of the District Board road, with 2" thick renewal for a width of 12 ft. The surface dressing will be of premix type using shellmac bitumen.

3. As the work of block topping of the roads in built-areas has to be got done under the P.W.R.D.Scheme, I request that work referred to above may be sanctioned under the P.W.R.D.Scheme of the District Board and grants allotted for 1952-53.

For President.

Copy of letter No.CDN/118(2)/53 Directorate General of Su and Disposals, Disposals Wing, Co-ordination Branch, New dated the 13th February 1953.

Sub: INDENTS FOR SURPLUS STORES.

It is notified for the information of all concern that indents for surplus stores covering all requirements other than those of Defence Services should invariably be submi triplicate on Form W.D.B.67 copies of which can be obtain from the Office of the Director General of Supplies and D New Delhi, or from any of the Regional Offices at Calcutt Bombay and Madras.

It is essential that the appropriate certificate availability of funds on p.4 of the indent form, should b completed on all indents the cost of which is adjusted th exchange accounts. In the absence of this certificate an may not be complied with.

All indents for requirements of Defence Services invariably be submitted in triplicate on Form WDB. 69.

Indents for surplus stores should be addressed t Director-General of Supplies and Disposals, Statistics i (Indent Section) and not the Central Indents Section of t Directorate-General of Supplies and Disposals.

Sub: INDENT ON D.G.S.&.D. FOR SURPLUS STORES.

Attention is invited to this Department Circular I No. DGD/CIN/118 (2) dated 21-3-1950 (copy enclosed) wherei Priority Indentors were requested to refrain from placing ~~of~~ small value. A review of the indents received from th Priority Indentors during the past few months reveals that appreciable number of indents of small value for Medical, C Miscellaneous and other types of stores still continues to pl ced on D.G.S.&.D. This, however, involves too much of work and other incidential expenditure on account of packi loading and despatch which generally exceeds the sale valu stores. As a matter of fact the Priority Indentors also d

In the circumstances the Priority Indentors are again requested to extend their co-operation and refrain from placing indents of small value except in very special cases.

Copy of letter No. DGD/CIN/118(2) Government of India, Ministry of Industry & Supply, Directorate-General of Disposals (Amn.&.C Directorate), New Delhi, dated the 21st March 1950 to all Priori Indentors.

Sub: INDENTS ON D.G.D. FOR SURPLUS STORES.

The ~~Director~~ Directorate General of Disposals and its Regio Offices have so far entertained all indents from Priority Inden for surplus stores irrespective of the value of stores indented in each case. A review of the indents received in the past few months however reveals that an appreciable number of such inden were of small value. While this Directorate General have arran to comply in past with all indents irrespective of their value do not at present contemplate to prescribe any minimum monetary limit for future indents it will be appreciated that a great de of routine work is involved in complying with each indent irre of their individual value and a large number of small indents h the speedy liquidation of Disposals Stores. In order to minimi the number of indents of small value, it is requested that Prio ~~Indents~~ will, as far as possible, consolidate their requirements from time to time and refrain from placing indents of small valu on D.C.D. except in very special cases. It is hoped that you w extend your co-operation to this Directorate General in this connection in order to enable it to achieve its object of speedy liquidation of surplus stores consistent with the best utilisati of such surplus stores.
